Subject: Smoky Canyon Mine FS RTC

Good morning,

We are having issues with access to SharePoint so have posted the responses to agency comments dated October 14, 2021 to the Draft Feasibility Study Technical Memorandum #2: Detailed Analysis of Remedial Alternatives (FSTM#2) for the Smoky Canyon Mine RI/FS to the following ShareFile site.

(b) (6)

Please let me know if you are unable to access the documents from here.

Thanks--Myra

Myra Lugsch, PG
